TINTILIA DOC 2009

A Tintilia Dry Red Table wine from Italy, Molise, Italy.

Terresacre's 2009 Molise Tintilia is a very pretty and unique wine that offers a fascinating view onto this littleknown grape variety from Molise in southern Italy. It opens to a darkly saturated ruby color with thick garnet hues. This wine definitely makes a statement both in terms of its bold appearance and the intensity of its aromas. Blackberry preserves, dried cherry and currant berries rise from the glass. The Tintilia grape is very fruitforward and the wine tastes much younger than it really is. The 2009 vintage shows balance, rich thickness and silky tannins. End notes of smoke and tobacco also appear.
